A MESSAGE FROM THE PRESIDENT

Dear Neighbors,

The BOD and a special committee have been working towards the possible solution to the unsightly area to the south that is common property owned by Sabal Creek HOA. The special committee has given several months of effort in this endeavor. I want to personally thank them for their efforts and wonderful information that was gathered in order for the BOD to make the following proposal to all of you. The solution would be to erect a six foot fence that would stretch from the gate area west to the end of Roscoe Turner Trail and would serve several purposes. First and foremost, it would hide the unsightly area to the south that is common property owned by Sabal Creek HOA and secondly, it would serve as a deterrent to trespassers.

Constructed of white vinyl, the fence is expected to cost $43,000. In order to fully fund this project, the Board requests that $30,000 be transferred from the Streetlight Reserves account which is now carrying excess funds since all of the streetlights have recently been painted and retrofitted to CFL at a great cost savings.

You will be getting information concerning a Special Meeting that will take place to get your approval to fund this project. Please look for the paper work in the mail fill the necessary forms and mail them, or better…. Come to the meeting and cast your vote in person.

Regards to all,

Pio

CONGRATULATIONS

HOA BOARD OF DIRECTORS

President	Pio Casadey
Vice President	Warren Klemm
Secretary	John Bogdanoff

All HOA matters including emergencies, maintenance needs and complaints should be directed to our management office: Karen Koch, POB 291282, Port Orange, FL 32129, 386-767-8282 or Kar_koc@msn.com.

This newsletter is created for the information and entertainment of the residents of The Sanctuary on Spruce Creek. Comments, information, and opinions expressed are those of the individual writers and not necessarily shared by the Board of Directors. Official notices from the Board will be signed as such.

SPECIAL MEETING OF THE MEMBERSHIP

A special meeting of the membership will take place to approve a redistribution of reserve funds to erect a fence along Roscoe Turner Trail.

NO SPECIAL ASSESMENTS OR ADDITIONAL DUES WILL BE REQUIRED TO FUND THIS PROJECT.

DATE: **July 10, 2014**

TIME: **7:00 P.M.**

PLACE: **Port Orange City Hall**
Second Floor Conference Room
1000 City Center Circle
Port Orange, FL 32129

The six foot fence would stretch from the gate area, west to the end of Roscoe Turner Trail and would serve several purposes. First and foremost, it would hide the unsightly area to the south that is common property owned by Sabal Creek HOA. Sabal Creek has consistently refused to clean up or replant the area. Secondly, it would serve as a deterrent to trespassers.

As you know, all of the streetlights have recently been painted and retrofitted to CFL at a cost of $15K. The Board believes that the Streetlight Reserve is now carrying excess funds and would like to use a portion of those funds for the new fence and to establish a reserve account for future maintenance of the fence. Constructed of white vinyl, the fence is expected to cost $43,000. In order to fund this project, the Board requests that $30,000 be transferred from the Streetlight Reserves account. The remaining $13,000 required would come from an existing operational contingency fund that currently has $23,000. Any remaining monies after the project is built would be used to fund a new reserve account for the purpose of maintaining the new fence.
NO SPECIAL ASSESSMENTS OR ADDITONAL DUES WILL BE REQUIRED TO FUND THIS PROJECT.

WELCOME TO OUR NEW NEIGHBORS

Dear Residents.

In order to ensure that our community looks at its best, please check the sides of your home and the backyard to see what items, if any, need to be stored inside the garage.

Items such as garbage cans, ladders, wheelbarrows, sports equipment, toys and the like are, under our covenants and restrictions, to be stored out of the view of your neighbors. This is a matter of being faithful to our documents as well s being considerate of your neighbors.

Thanks for your continued cooperation in making the Sanctuary one of the most desirable communities in Port Orange!

A MESSAGE FROM THE ARC

Our Community is celebrating it's 20th Anniversary, and so are our roofs.

The ARC (Architectural Review Committee) has noticed during our annual inspections, that many roofs and soffits are starting to show signs of mold and mildew buildup and in some cases, needed repairs.

A beautiful and well groomed landscape is wonderful, but a roof covered in mold and mildew can be as big of an eyesore as a poorly maintained lawn.

Let's all get on top of this problem and keep our neighborhood the envy of Port Orange. For your safety, we suggest you hire a professional to clean the roof.

***** THIS LIST REPRESENTS ALL ACTIVITY ON THE MLS SYSTEM BY ALL BROKERS AND REALTORS.**

ANALYSIS:

2014 to date has been a good year for our community- 7 homes sold & 3pending so far! Low inventory has always been our main problem, but there are 8 homes listed, ranging in price from $219,900 to $524,900. Sale prices have also been rising! The average price/sq ft. of all homes sold in 2012 was **$102.30**/sq.ft. In 2013, the average went up to **$114.83**, a **12.3% increase** in one year!! The average price for the five months of 2014 is **$121.29** which represents an additional increase of 5.3%. This is partially due to the lower inventory of homes throughout Volusia County and to fewer bank owned or distressed properties on the market. However, buyers are still trying to buy at last year's prices so negotiations are active. Nevertheless, the overall statistics indicate that we are now in a sellers' market, so if you have been waiting, perhaps this is the right time for you! As a proud member of our community, and sponsor of our community events, I hope that you will give me the opportunity to work for you. Please contact me to discuss how I may be able to assist you with all your real estate needs. And please do not forget to refer me to your friends and family! Thank you.

FYI

Have you checked out the HOA's covenants and restrictions (C&Rs) lately? If not, now is a great time to brush up on the do's and don'ts of the community.

For those of you who are unaware, C&Rs play a crucial role in keeping the association running smoothly. C&Rs are legally binding rules and regulations that each homeowner agrees to when he or she purchases a property within our association. If owners rent out their homes, it's the owner's responsibility to inform the renters of the bylaws as well. C&Rs include stipulations on assessments, building design and additions, painting and landscaping and the governance of the association. All residents need to understand these C&Rs so they don't unintentionally violate them; owners can be fined by the association and—in extreme cases—sued for violating the C&Rs.

The C&Rs are legally enforceable and also help ensure the association as a whole can thrive and that members are treated fairly and equally. So don't be left in the dark—check out the association's C&Rs today! They can be found and downloaded from our property manager's website at Karenkoch.com. If you would like a copy of them, please call Karen Koch at 386-767-8282.
