HOA BOARD OF DIRECTORS

President	Warren Klemm
Vice President	John Bogdanoff
Secretary	Ann Colt

This newsletter is created for the information and entertainment of the residents of The Sanctuary on Spruce Creek. Comments, information, and opinions expressed are those of the individual writers and not necessarily shared by the Board of Directors. Official notices from the Board will be signed as such.

Former Board of Directors Member Barbara Joyce, a long time resident of Hampton Oaks recently passed away. Barbara served as President in 2006 and was a valued colleague. She had a sincere interest in the betterment of the Sanctuary, and spent countless hours on HOA matters. After concluding her term, despite health issues, Barbara continued her community service, assisting in conducting HOA elections and serving on the annual Christmas decoration committee. We will miss Barbara's enthusiasm and wonderful attitude. We extend our sincere condolences to her friends and family.

EXIT GATE TIMER TEST

Beginning in April, the timer for the exit gate will be changed to keep this gate closed until after 9:00AM each morning. The purpose is to slow traffic in support of school children crossing Roscoe Turner Trail on their way to school.

The Board of Directors continues their efforts in protecting our residents, particularly the children. Crosswalks have been added, and additional signs are being considered.

Spring update from the Landscape Committee-

This is such a great time of year as we watch our flowers and shrubs come alive with their new spring growth! This spring we are especially excited about the fact that we are about to begin implementing our new landscaping design, giving our islands and entrance a fresh new look. However, as we began to remove the old plants and shrubs we discovered that we had some irrigation issues which required repairs. Once the repairs have been completed we will move forward quickly with the installation of many new flowering shrubs and plants that will give us year round greenery and color. We have also added many more annuals to our landscaping plan, as well as we will be doing 3 flower changes per year, which will keep our annual beds looking seasonal and fresh.

I hope you are as excited as we are about the new landscaping and our continued efforts to keep Sanctuary looking beautiful.

ARC ANNUAL REVIEW

Our Community is governed by Covenants and Restrictions (available on KarenKoch.com) which help to preserve and maintain property values.

The Annual Review of Lots, done by the ARC, is coming up again in late Spring, early Summer 2016.

The review is done to insure that basic maintenance items, i.e. lawn care, sidewalk and driveway maintenance, landscape beds, routine pruning of trees and shrubs and structure maintenance, roofs, fascia and soffits are being addressed.

The ARC thanks all of our neighbors in advance for their co-operation.

FYI

The Sanctuary's Covenants and Restrictions state that Political signs are limited to one sign per lot, no more than 24 inches wide and 18 inches tall, being displayed no more than 30 days prior to election day and 7 days after election day for bona fide candidates running for public office.

The Readers was founded in the spring of 2009. Made up of twelve members, the group meets the third Tuesday of each month. A different member hosts each meeting and leads the discussion about the chosen book. There is no current opening for new members but if you are interested, please contact Maryann Hartzell-Curran (mary.curran@att.net) to be put on a waiting list. Some of our favorite books have been:

Gray Mountain, John Grisham

The Storied Life of A.J.Fikry, Gabrielle Zevin

The Japanese Lover, Isabel Allende

The Bridal Chair, Gloria Goldreich

We believe it is a joy and a privilege to love books and to be a Reader. Hope this passes on some of our enthusiasm.

THE BIRD LADY

On November 4th of 2015, a special person left this life and flew up to heaven. Know professionally in the Sanctuary as the "Bird Lady", Linda Hardenberg has undoubtedly received a special pair of wings from the Lord.

The first time we met she was riding her white, thick-tired bicycle, ringing her bell and talking—yes talking—to her Amazon Parrot, J.R. He was whistling at anyone who came into his limited line of sight. My dogs and I have never met a parrot before and we marveled as he balance on the bike handlebars. Quite a sight!

Linda began getting sick about six years into our friendship and caring for all of her birds was becoming quite difficult. In her loving way, she commenced advertising to find appropriate homes for all her birds, except for Harley, a gray parrot she had raised from a chick. The remainder of her life revolved around Harley.

My hope is that there is a Bird Sanctuary in heaven where I can look for Linda one day. I expect to see her riding her bike, her birds gripping the handlebars and The Bird Lady herself smiling broadly. So much to look forward to!

Spring is upon us with this Beautiful Weather! Perfect for walking and enjoying our beautiful community! Our contest this month appears to have been too early for spring flowers so except for the crotons, there was a noticeable lack of color. ☹ But most lawns looked healthy, driveways/sidewalks were clean (watch for the sidewalk police!), and hedges trimmed. The contest was close!
I hope you enjoyed your Easter Holiday and are taking advantage of this lovely weather for gardening and other outdoor activity. And please feel free to join us at our next contest in June. It's a great way to 'see' Sanctuary and the pizza & wine afterwards is always fun!

***** THIS LIST REPRESENTS ALL ACTIVITY ON THE MLS SYSTEM BY ALL BROKERS AND REALTORS.**

2015 was the most active year for sales in Sanctuary since I moved here in 2005! 28 homes sold, compared with 20 homes in 2014. 2016 is getting off to a slower start with 1 sale closed and 1 pending so far. Currently there are 5 homes listed for sale! The prices of our homes have increased by 23.3% over the last 3 years to an average of $126.19/sq ft. The current average asking price is $145.51. So although the market seems to have slowed down a bit we are still in a sellers' market! - perhaps this is the right time for you to sell?

As a proud resident of our community, and sponsor of our community events, I hope that you will choose me to work for you. I am consistently ranked in the top 10 of the highest producing Remax company in the area, and in the top 50 out of 1,700 in our MLS! I am successful because I work hard for all my clients. Please contact me for all your real estate needs.
