HOA BOARD OF DIRECTORS

President	Warren Klemm
Vice President	John Bogdanoff
Secretary	Ann Colt

This newsletter is created for the information and entertainment of the residents of The Sanctuary on Spruce Creek. Comments, information, and opinions expressed are those of the individual writers and not necessarily shared by the Board of Directors. Official notices from the Board will be signed as such.

FRONT GATE:

The video surveillance system has received a major overhaul and upgrade. George Colt Consulting, LLC, a Sanctuary resident, has removed the old, nonfunctioning cameras and recorder, and replaced them with multiple, state-of-the-art, high-definition cameras and a digital recording system that will provide reliable service for many years to come. This new system will maintain a record of entries to and departures from the Sanctuary that can be accessed in the event of a criminal (or other) incident. The residents of The Sanctuary once again enjoy the protection that video surveillance provides."

All HOA matters including emergencies, maintenance needs and complaints should be directed to our management office: Karen Koch, POB 291282, Port Orange, FL 32129, 386-767-8282 or

Summer update from the Landscape Committee

The Landscape committee has been very busy the last few months with installing new plants, cleaning fences, trimming trees and getting us ready for a new season!
This summer we are especially excited about the fact that our new landscaping design has been implemented and is starting to take hold and bloom, giving our islands and entrance a fresh new look. We also just completed a major tree trimming project. Many of our oaks along Roscoe Turner and throughout other areas were given a much needed trim. We also trimmed and fertilized all of our palm trees, hopefully giving them an advantage to resist a disease that has claimed several palms in our development.
We have added many more annuals to our landscaping plan, as well as we will be doing 3 flower changes per year, which will keep our annual beds looking seasonal and fresh. We just planted our summer Penta's and our next annual change will be for the holidays. If you have a favorite holiday flower you would like to see planted this year, please don't hesitate to email me with your request.
We still have a lot of work to do and will continue our efforts as the budget allows. Sometime in the fall, the next area we would like to address is the entrance of Barrington Woods. I will keep you updated on this as we finalize our plans.
I hope you are as excited as we are about the new landscaping and our continued efforts to keep Sanctuary looking beautiful.

Do you wish to give back to your community in an effective way? Are you interested in police work and procedures? Perhaps you only want to keep Port Orange one of the safest cities in Florida. The Volunteers in Police Services, otherwise known as V.I.P.S., are looking to the community for more citizens interested in our program.

Those who join this program will be trained in various areas of police operations. We offer training in City patrols, Fingerprinting, House watches, Boat ramp parking, Special events, Front Office, Traffic and much more. Uniforms will be assigned to each individual AT NO COST TO YOU!

Applicants must be 21 years of age or older and hold a valid driver's license. All applicants must pass a background check. We request a commitment of a minimum of 12 hours per month. If you are interested in what we have to offer, go to the Port Orange City website (www.port-orange.org , Public Safety, Police Dept. & download VIPS application) or stop by Police Headquarters. Community Groups and Homeowners Associations can call for a spokesperson to attend their meetings with more information.

The pedestrian gate at the front entrance should only be open on school days between 7AM and 5PM. If you use the gate at any other time, please be sure it is securely locked afterward. The code for the gate is 1386.

We are looking for additional volunteers to handle the opening and closing of this gate. If interested, please contact the Property Manager's office .

Thank you from the Gate Committee

KEEP STORM DRAINS CLEAR OF DEBRIS

The rainy season is upon us. Removing any leaves or debris from your storm drains will keep the city storm water system working. Call the Public Works Department to report clogged, blocked or polluted storm drains at 386-506-5575

Items that should NOT be dumped into the storm water system include:

- Yard Waste
- Garbage, refuse, or litter
- Chlorinated swimming pool water
- Household waste water
- Oil, automotive fluids
- Paints, varnishes, solvents
- Herbicides, pesticides, fertilizers

ATTENTION PARENTS

Please remind your children to look both ways before crossing the street and entering the roadway while playing. We have traffic, including commercial vehicles, in and out of the community during the day

The Sanctuary's Covenants and Restrictions state that Political signs are limited to **one** sign per lot, no more than 24 inches wide and 18 inches tall, being displayed no more than **30** days prior to election day and **7** days after election day for bona fide candidates running for public office.

HELP KEEP OUR

NEIGHBORHOOD CLEAN

Be sure all trash can lids are securely fastened when placing them curbside. If your trash is not picked up or if bags are broken by the collectors, it is your responsibility to be sure this is cleaned up.

Be sure to secure recyclables in the proper bins. Newspapers should be tied or placed in acceptable bags. Again, any breakage or blowing paper is your responsibility to clean up.

Green cutting should be placed curbside.

All receptacles should be placed curbside no earlier than the evening before pick up. At all other times. they should be stored inside your garage, and not visible from the street.

Please remember that it is illegal to park on the sidewalk or right a way even if it is YOUR OWN driveway.

Overnight street parking is also

JAMES & PATRICIA WAGGONER

PRIZE! ***$50 Gift card to Lowe's***

Summer is here in full! Sun is shining, children are laughing and pools are splashing! Although it is hot, our afternoon showers sure have helped keep the flowers blooming and the grass growing. It is apparent that our neighbors take pride in their landscape, keeping driveways and sidewalks clean and hedges trimmed. This was not an easy contest to judge! A majority of the yards were distinguished by only one point difference. Thank you to each and every neighbor for your pride in your property! Please consider joining us at our next contest in November. It's a great way to 'see' Sanctuary and the more; the merrier for pizza & wine afterwards!

***** THIS LIST REPRESENTS ALL ACTIVITY ON THE MLS SYSTEM BY ALL BROKERS AND REALTORS.**

Although the weather has been hot this year, sales in Sanctuary have cooled down from the record high of 28 homes sold in 2015. At midyear 2016 there are only 5 sales with an additional 4 sales pending. On the other hand, the inventory of homes has also decreased with only 4 homes currently available for sale. However, the prices of our homes have continued to increase to an average of $139.82/sq ft. in the first six months of this year. Remember, in 2012 the average was $102.30/sq.ft., that is an increase of 26.8%! With these higher prices and low inventory it is an excellent time to sell your home – have you been waiting for the right time to sell?? Call me to discuss your situation so I can help.

As a proud resident of our community, and sponsor of our community events, I hope that you will choose me to work for you. I am consistently ranked in the top 10 of the highest producing Remax company in the area, and in the top 50 out of 1,700 in our MLS! I am successful because I work hard for all my clients. Please contact me for all your real estate needs.

Epoxy Daytona
FLOOR COATINGS
Transform Your Dull and Dreary Concrete Floor Into a Stunning Masterpiece!
Epoxy Daytona uses diamond head grinders to prepare every floor. Our exclusive two part epoxy basecoat is designed specifically as a flaked floor primer. Wicking deep into the concrete to form a tenacious bond guaranteed not to peel. This bond is 3 times stronger than other systems.
At Epoxy Daytona our two part Polyurea Urethane topcoat has glass like gloss while providing superior chemical and abrasion resistance and will outshine comparable systems for years.
All of our floor coatings will not yellow, darken, stain or lift from hot tires. The floor is easily cleaned by simply wiping for years to come.
Proprietary Wicking Technology Prevents Most Failures
