December 2018

Dear Homeowners,

We are in the process of updating the Gate System and we need your help. Over the years many of the 5-digit gate entry codes are no longer being used and they are crowding the system. We need to do a purge. We would like to avoid purging your code. We are asking that you please contact our office by email or phone to confirm the gate entry code you have been assigned and are using.

Any gate entry codes not confirmed will be removed from the gate directory system. Once we remove all the unconfirmed codes from the system, your use of a gate entry code will no longer work if you have not contacted us. A new code will need to be assigned to you by our office. If you have tenants, you will need to notify them to contact us as well. The information we will need from you is:

Your street address _____

5-digit code you currently use _____

We apologize for the inconvenience and appreciate your cooperation. Please contact us **by December 20, 2018.** The purge will take place at the beginning of the year.

Have a wonderful Holiday and very happy NEW YEAR!!!!

Thank you for your help.

TLC Professional Group - Your management company.
