A MESSAGE FROM OUR PRESIDENT

Welcome to the Sanctuary! For some of you, this will be the first greeting you've received from the President of the HOA. For others, it's one more in a string of many. Either way, we're glad you've chosen to make the Sanctuary your home. It's your hard work and pride in your home that make our neighborhood as great as it is.

Our property management company led by Cheryl Weber along with our many (volunteer!) committees, work diligently keeping the Sanctuary the place we envision it to be. One of the hardest working committees (the ARC) recently completed its annual review of the neighborhood's properties. And if you received a note from them to correct some portion of your property, take heart – yours truly received one as well. The ARC is focused on the presentation of your property – and is not trying to pick on you personally. Receive their letter as I did – as a reminder of what needs to be done around the house.

As many of you are aware, the advent of short term rentals and the AirBnb rage, has reached the board of this HOA as well. We, as well as you, are concerned about the potential impact of multiple short term rentals in our mostly owner-occupied neighborhood. While mortgage companies have their restrictions on how you may use your property, and cities are considering making restrictions as well, we on the board would like to be pro-active also and begin to consider what we might do as the HOA board to preserve the quality and value of the Sanctuary.

As mentioned elsewhere in this newsletter, the Board is beginning to discuss and consider what we can do legally and practically to address this looming issue. As part of that, the board will be considering rule changes and/or revisions to the C&Rs over the next few months in order to best address the concerns that have been voiced by many over the issue of short-term rentals. Feel free to drop by the monthly meetings or send an e-mail with your ideas and suggestions. We welcome all of your input.

Have a great summer!

COMMUNITY MEETINGS	
Board of Directors	Architectural Review
June 13th July11th August 8th Meetings are held at 7PM at the Port Orange City Hall 2nd floor conference room. All residents are urged to attend.	Meetings are held on the FIRST Monday of the month (except for holidays) at 5:30PM in the Port Orange Library and are open to the community. Applications received during the month are reviewed at these meetings. If you plan to attend, please notify our property manager at 386-219-2010

HOA BOARD OF DIRECTORS

President	Warren Klemm
Vice President	Dave Hampton
Secretary	Ann Colt

This newsletter is created for the information and entertainment of the residents of The Sanctuary on Spruce Creek. Comments, information, and opinions expressed are those of the individual writers and not necessarily shared by the Board of Directors. Official notices from the Board will be signed as such.

The BOARD OF DIRECTORS has heard complaints concerning renters in our community and is considering instituting some measures to ensure that those homeowners who wish to lease their homes are able to do so in a way that doesn't interfere with their neighbors' continued enjoyment of their homes. Some ideas that have been discussed include:

- No leases shorter than 6 months
- The HOA should receive a copy of all leases
- A deposit of one month's rent to be held in an escrow account against the possible need for the HOA to perform needed maintenance not performed by the renter

If you have comments and/or suggestions, please send them to sschoatreasur@gmail.com.

Board of Directors

Welcome to the Neighborhood!

Elizabeth Miller & Michael Olm	6094 Jasmine Vine Lane
Andrew & Paige Welch	6142 Jasmine Vine Lane
Jeffrey Lind	6115 Sanctuary Garden Blvd.
Farah Hasan & Syed Shad Hussan	6121 Oxbow Bend Lane

The ARC completed its annual review during the month of April and follow up inspections will take place during June.

The Committee would like to thank all of our neighbors in the Sanctuary for their cooperation, patience and understanding.

These reviews help to keep our neighborhood looking good, and our property values up which makes the Sanctuary one of the premier subdivisions in Port Orange.

ALL DOGS MUST BE ON A LEASH!

PLEASE respect your neighbor and your neighborhood. All dogs should be on a leash and picked up after.

To report violations, and you know the offenders address, call our management agent, TLC (219-2010).

Call Animal Control (756-7400) if you have picture proof of the incident. In addition to a dog being off a leash, this includes violations for not picking up after a dog, or excessive barking.

Summer Update From The Landscape Committee

We have been busy preparing our beautiful neighborhood for summer. We recently pressure washed our fence, planted new colorful summer annuals, and applied fresh mulch throughout the community. We are constantly looking at projects that need to be addressed to keep our neighborhood looking great.

One of the projects we are currently working on is at the pump station located at the curve on Sanctuary Garden Blvd at the entrance of Barrington Woods. We feel that for the safety of all our residents, changes to the landscaping around the pump station is necessary. Currently there are large hedges that impair residents ability to see around the bend as they approach this area. We will reduce the height of some hedges, remove others, and then replant new hedges that we will maintain at a certain height, allowing residents to see better as they go around the curve. As always, safety first!

Happy Gardening!

Connie Pawela, Joyce Velba

FROM THE ARC:

Over the past several years, many home owners in the Sanctuary have replaced their roofs. Are you aware that you may be entitled to a wind mitigation discount on your property insurance?

A wind mitigation inspection is a verification that a home can meet certain building requirements. Insurance companies have realized that if a home meets certain criteria, it will most likely sustain less damage during a wind event . In turn, have passed that savings to the home owners in the form of a reduced insurance premium. If you are interested in potential savings on your insurance, contact your carrier and see if they offer these discounts. If so, call a certified mitigation inspector who will provide you with a written report for the insurance company.

NO PARKING ON THE STREETS OVERNIGHT

The Declaration of Covenants and Restrictions for The Sanctuary on Spruce Creek, Article VIII, Architectural Review Committee ("ARC"), Section 18. Parking Restrictions, that reads,

> "No commercial truck, boat, trailer, house trailer, mobile home, camper, recreational vehicle, or any other vehicle shall be parked on any street right-of-way within THE SANCTUARY ON SPRUCE CREEK between 12:00 midnight and 6:00 A.M. on any day."

If you continuously park your vehicle on the street overnight, chances are the vehicle will be towed at your expense.

WITH HURRICAN SEASON IN QUICKLY APPROACHING, IT IS IMPORTANT TO KEEP STORM DRAINS CLEAR OF ALL DEBRIS

Removing any leaves or debris from your storm drains will keep the city storm water system working. Call the Public Works Department to report clogged, blocked or polluted storm drains at 386-506-5575.

Items that should NOT be dumped into the storm water system include:

- Yard Waste
- Garbage, refuse, or litter
- Chlorinated swimming pool water
- Household waste water
- Oil, automotive fluids
- Paints, varnishes, solvents
- Herbicides, pesticides, fertilizers

GOT NEWS????

If your school, club, church or non-profit group has a special event or a need for volunteers, let our editor know.

We will run the information at no charge, space permitting in the quarterly newsletter.

Write to Nancy Graer at sscnews@outlook.com.

KEEP OUR CHILDREN SAFE

THEY WILL BE PLAYING, RIDING BIKES, AND HAVING FUN THIS SUMMER.

PLEASE OBEY ALL TRAFFIC SIGNS AND LAWS WITHIN OUR NEIGBORHOOD!!!!
