December 2019

A MESSAGE FROM OUR PRESIDENT

I love this time of year. And I especially love Thanksgiving. Despite trying, corporate America has been unable to monetize and commercialize Thanksgiving. With the small exception of encouraging us to overeat on one day—I can live with that.

But I am glad that we still have it on the calendar. One day where we as a nation, and individuals as well, sit back and ostensibly take stock over the past year(almost) and contemplate how much we have to be thankful for. Nothing more, nothing less.

If you're like me you'll likely wake up early and help prep that poor turkey , wrestling that half -frozen fellow as you try to stuff him with some concoction he was never meant to absorb. But the effort will be worth it. You'll sit down later that day with just you and your spouse, or friends, or partner, or a whole host of family….it really doesn't matter. You're there to enjoy a meal and each other's company (even that odd uncle or weird cousin). At that point, whether you say grace or not, take a moment of silence and think about all we have to be thankful for.

For me, I have much to be thankful for. I have a wonderful wife, great kids, and an understanding extended family. I live in a great neighborhood, in a warm state, in the best country in the world. I'm easily blessed enough to satisfy my economic needs, and there's enough left over to cover wants as well. I'm thankful for my health, the security we enjoy and the love of those around me.

Enjoy this holiday season, count your blessings and as they say in my favorite Muppets movie, do it all "with a greatful prayer and a thankful heart."

Warren Klemm

ANNUAL H.O.A. MEETING

DECEMBER 5TH 6PM

This newsletter is created for the information and entertainment of the residents of The Sanctuary on Spruce Creek. Comments, information, and opinions expressed are those of the individual writers and not necessarily shared by the Board of Directors. Official notices from the Board will be signed as such.

COMMUNITY MEETINGS

BOARD OF DIRECTORS

Meetings are held at 7PM at the Port Orange City Hall 2nd floor conference room. on the second Thursday of each month unless a holiday occurs. Please check the newsletter and notices at the front gate for exact dates.

All homeowners are urged to attend.

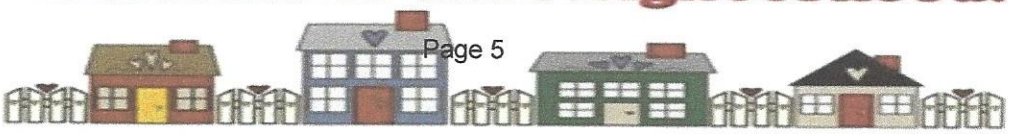
ARCHITECTURAL REVIEW

Meetings are held on the FIRST Monday of the month except for holidays at 5:30PM in the Port Orange Library and are open to the community.

Applications received during the month are reviewed at these meetings.

If you plan to attend, please notify our property manager at 386-219-2010

Welcome to the Neighborhood!



Christopher & Traci Lee Filbert	6138 Jasmine Vine Lane
Virginia O'Connell & Kevin Kelley	1326 Osprey Nest Lane
Paul & Michelle Klein	1334 Osprey Next Lane
Mark Kryscynski	6116 Sanctuary Garden Blvd
Anthony Regulbuto	6113 Sanctuary Garden Blvd
Timothy & Donna Cetera	6012 Sanctuary Garden Blvd

On an unfortunately somber note, you may have heard that Karen Koch, who helped manage our community for many years, passed away November 7, 2019.

Her wishes were not to have a service, however, donations can be made to Halifax Hospice if you so desire. Cards can be received as well by the family at 6156 Sabal Point Circle, Port Orange, FL 32128.

She will be missed.

Hi Neighbors,

The year has gone by so fast as another holiday season is quickly approaching. It's been a nice year for our community. Connie Pawela has done a great job with the landscaping. Especially the front entrance, with the new lighting and flower beds. It always brings a smile to my face when returning home. Also enjoy sitting on the new benches located at our entrance pond. Take a quiet moment to see all the northern ducks and birds that travel south for the winter.

Soon we'll be replacing the cracked sidewalks along Roscoe Turner Trail that have been damaged over the past 23 years. Lisa Epstein, Engineering Specialist with the City of Port Orange has explained to me that the new 6 inch thickness will be acceptable for any large vehicles that may go over it.

The Acorn Storage Development is moving along. David, the Project Manager, has assured me the finished appearance of the building and landscaping along our Roscoe Turner will look very complimentary to our community entrance sign.

A big thank you to Nancy Graer for creating our newsletter.

To TLC Professional Group, Cheryl, Nancy and Nora, thank you for your patience and guidance as you help us to make our community better.

Continue to be friendly, wave, smile, and chat with your neighbors. Welcome those who are new, share memories with those who are moving on. Most important of all, be thankful for the blessings we all have.

Happy Holidays Everyone

Dave Hampton VP

Greetings from the Landscape Committee-

It's been a productive year for us, having had the opportunity to make several improvements to our beautiful neighborhood. We are constantly working hard to identify and improve the appearance of our landscaping. Here are some of the projects we have completed over the last year. Our front entrance received a major makeover. We installed trees, shrubs, annuals and lots of new lighting , giving us a beautiful new entrance to our neighborhood. In the past year we have added several new trees to our community, 4 Sylvester Palms to our front entrance, 4 new Robellini Palms to one of our entrance islands, and 4 new Magnolia trees to the common area around the lake. We also removed juniper bushes from the south side of our entrance and replaced it with new sod for a much cleaner look. New plants and annuals were also added to the entrances of Barrington Woods and Hampton Oaks. We just completed a re-do of the pump station on Sanctuary Garden near the entrance of Barrington Woods. Large shrubs that created a visual obstruction for drivers as they drove around the bend were either trimmed or removed. New smaller shrubs were planted, giving drivers a better line of sight as they drive in this area. Several major tree trimmings have also been completed this year and this will be something we continue to do on a regular basis. We still have work to do, and our efforts will continue as we strive to keep our neighborhood looking great!

Connie Pawela

The ARC (Architectural Review Committee) would like to wish all of our Sanctuary neighbors a Happy and Healthy Holiday Season.

People who buy into an HOA subdivision have the desire to live in a community with a similar sense of purpose, i.e. ensuring that our beautiful and well maintained development continues to be one of the most desirable areas of Port Orange. That job cannot be done solely by the five dedicated volunteers on the committee. It takes a village to accomplish and the Sanctuary has been fortunate to have so many homeowners who understand and embrace that concept. Looking forward to a wonderful and prosperous New Year ahead. Stu Graer

All HOA matters, including emergencies, maintenance needs, and complaints, should be directed to our management office: Cheryl Weber, TLC Professional Group,5889 S Williamson Blvd. Suite 1301,Port Orange, FL 32128 386-219-2010

BEFORE making any changes to the exterior of your home, your plans MUST BE APPROVED by our architectural review committee. Applications are reviewed monthly at the ARC monthly meetings Revised forms can be downloaded from our management website: TLC-PG.com

If your mailbox needs to be replaced call Stu Munson at 322-7033 for information regarding supplies and costs.

The HOA has signed a new contract with Danny's Wrecker Service. As a reminder the Declaration of Covenants and Restrictions for The Sanctuary on Spruce Creek, Article VIII, Architectural Review Committee ("ARC"), Section 18. Parking Restrictions, that reads,

> "No commercial truck, boat, trailer, house trailer, mobile home, camper, recreational vehicle, or any other vehicle shall be parked on any street right-of-way within THE SANCTUARY ON SPRUCE CREEK between 12:00 midnight and 6:00 A.M. on any day."

If you continuously park your vehicle on the street overnight, chances are the vehicle will be towed at your expense.

Although it has been more than a month since Port Orange has stopped recycling glass, there still seems to be some confusion. The rules for recycling have not changed except for discontinuing glass. However, the crews may no longer be separating acceptable items from unacceptable. At times, they are instead leaving everything in the box. Please be sure you are following the city's guidelines for separation, and remember, when in doubt, throw it out. This information, along with many other useful articles can be found on the city's website : **www.port-orange.org.**

Our Community is supported by numerous volunteers that donate their time and efforts to help make the Sanctuary such a desirable place to live. With their help the Sanctuary's list of 2019 accomplishments include (but are not limited to!) :

New sign at the front gate

Face lift to the message board

New Directory at the front gate

New outlets at the front gate

Additional crosswalks added on Roscoe Turner

Concrete pads and benches at Roscoe Turner pond

New landscaping at front entrance and Roscoe islands

New landscape lighting at front entrance

As we close out the year, please join me in thanking all of these generous folks. And as always, additional volunteers are also welcome.
