Update from the Landscape Committee

As you may have noticed, we are constantly working on our landscaping to maintain our beautiful community. We are in process of installing our new holiday flowers, as well as trimming and pruning several areas getting ready for the new season.

We are in an area of Florida where we have the opportunity to garden year round. To help us with our gardening questions, I have a wonderful resource that I use for the community that I would like to share with you. Karen Stauderman is in the horticultural department at the University of Florida. She is a GREAT resource to ask questions about flowers, shrubs, trees, and when is the appropriate time to fertilize. There is also a group of Master Gardner's that volunteer their services at UF that are very happy to help answer any of your questions. Please feel free to contact them in the event you have a question or problem you would like some help with. Listed below is their contact information:

HOLIDAY FOOD DRIVE

Every year around the holidays I like to work with one of our local food banks. This year has been especially difficult for many families. Due to so many additional people in need, food inventory is in short supply. This holiday season I'm going to be collecting food to take to Second Harvest Food Bank in Daytona. If you would like to help with a small donation of a non-perishable food item, your contribution would be greatly appreciated!! Donating is easy, just drop off your item(s) on my front porch now through December 12th and I will make sure it gets there. Many families will benefit from your generosity!! Thank you so much!!

Connie Pawela- my address is 6135 Sanctuary Garden Blvd.

WHEN HIRING WORKERS FOR LANDSCAPING, TREE TRIMMING, ETC, MAKE SURE THEY ARE RESPONSIBLE FOR HAULING THE DEBRIS OUT OF THE COMMUNITY. DO NOT LET THEM LEAVE THE PILES AT THE CURB OR ANYPLACE ON OUR COMMON GROUNDS.

PLEASE respect your neighbor and your neighborhood. All dogs should be on a leash and picked up after.

To report violations, and you know the offenders address, call our management agent, TLC (219-2010).

Call Animal Control (756-7400) if you have picture proof of the incident. In addition to a dog being off a leash, this includes violations for not picking up after a dog, or excessive barking.

DISPLAYING THE AMERICAN FLAG IS A GREAT WAY TO SHOW PATRIOTISM.

BE SURE YOU ARE FOLLOWING THE RULES...

The American Flag may be displayed with other flags as long as its display follows the rules specified by the Flag Code. These rules were set to make sure the American Flag is in a position of prominence over other flags. The flag represents the government of the United States, and on American soil, the government is the highest authority. The American flag is even displayed above church flags, except in rare instances.

The Rules:

- When displayed with other flags, the size of the American Flag should be larger than the other flags or relatively equal to the size of the largest flag. Other flags should not overshadow the American Flag in any way.
- The American Flag should be flown higher than lesser flags. If the flags are displayed on the same level, the American Flag should be flown to the (*flag's own*) right of all other flags. The right is a position of prominence.
- If the flags of other nations are displayed with the American Flag, they should be of equal size and at equal heights on separate staffs at a time of peace. The American Flag should be displayed to the (*flag's own*) right but not higher than other national flags.
- In a group of state, local and/or society flags, the American Flag should be flown highest and in the center.
- The American Flag should be hoisted first and lowered last, when flown with other flags on adjacent staffs.
- When the American Flag is displayed against a wall with another flag, it should be on the (*flag's own*) right with its staff in front of the other flag.
- Another nation's flag shouldn't be displayed on the same halyard as the American Flag.
- If a state, local or society flags are flown on the same halyard with the American Flag, the American Flag should be at the top.
- If the American Flag is carried in a procession with other flags, it should be to its own right or in the center of a line of flags.

The 2016 Florida Statute, Title XXIII prohibits vehicles from stopping, standing or parking on a sidewalk or crosswalk. Please remember that it is illegal to do so even if it is YOUR OWN driveway

Overnight street parking is also prohibited per our C&R's.
