A MESSAGE FROM THE ARC

At the suggestion of the ARC, effective **April1, 2021**, the Sanctuary Board of Directors has approved the issuance of a **$100 fine** to any homeowner making changes to the exterior of their home without having submitted an ARC application. This fine is independent of any additional costs that the homeowner may be responsible for to remove or replace unapproved changes.

The Sanctuary is an HOA Community and our Covenants and Restrictions require that an ARC application be submitted and approved **BEFORE ANY CHANGES** and/or **ADDITIONS** are made to the exterior of the property. This includes, but is not limited to the following: new roofs; landscaping; curbing; removal or additional trees or shrubs; exterior painting; driveway painting, staining, sealing or pavers; any new cement work; fences. Please see our complete C&R's, available online at TLC-PG.com.

The Sidewalk Committee has completed their review and assessment of the condition of the sidewalks throughout the entire community. They have prepared a list of sidewalks that are in need of attention and/or repair. Starting in March, Joe Warchol Carpentry will begin work on the sidewalks, addressing those area's that the committee deemed the top priorities needing repair. There are over 100 slabs that will be addressed in this first round of repairs. Each year thereafter, additional sidewalk repairs will be completed throughout the community.

If you have any questions, please contact the management company.

Work continues around the property in the water retention areas and the storm culverts. As the water levels go down in the ponds, we are replacing the overflow skimmers and also will be shoring up the mitered end section drains that are currently under water. Dave Hampton is over seeing the project so we are in good hands.
Thank you Dave!
