FROM THE BOARD OF DIRECTORS

COMMUNITY VOLUNTEERS NEEDED! Our community is need of your help. Are you interested in helping on a committee? Overseeing vendors? We have several committees that need volunteers, fresh ideas, and some overall support to help keep Sanctuary a great place to live!

Here are some committees that need volunteers:

Welcome – This is a new committee formed to welcome new members to our community.

ARC – This committee oversees the aesthetics of our community and ensures that it retains the look and feel that we all enjoy.

Fines – While we don't often need to fine our friends and neighbors for non-compliance, this committee ensures that when we do, it is done fairly and compassionately.

Newsletter – Assist in creating a quarterly newsletter for the community.

Here are other areas where support is needed:

Community Events/Socials
Vendor Coordinator

Our thanks to all who have expressed interest so far! The Board will be reviewing committee membership at our January meeting. To ensure we have everyone's interests accounted for, please send your name, address, and the committee(s) and/or community role you are interested in serving on to Selina@Toutmgmt.com .

LEGISLATIVE CHANGES – The board is working closely with management to review, understand and implement the necessary changes. One of the legislative changes requires us to have a website starting in 2025. We are excited for this service for our members and will release the final details as soon as possible.
