HOA BOARD OF DIRECTORS

President Warren Klemm

Vice President Paul Klein

Secretary/Treasurer Ann Colt

SCHOOL IS OUT FOR THE YEAR PLEASE PROTECT OUR CHILDREN AND ALL RESIDENTS

We have many children and residents who frequently ride bikes, walk and play within the community. PLEASE obey our community speed limit of 25 MPH and make a full stop at ALL stop signs.

If your car is blocking the sidewalk, the walker has to move out into the street to get around your vehicle.

Blocking the sidewalk at any time is a City code violation and is a violation of the Federal Americans with Disabilities Act.

These laws are for everyone's protection!

CAN YOU BELIEVE IT….HURRICAN SEASON IS HERE!!!

PLEASE REMEMBER THAT IT IS IMPORTANT TO KEEP STORM DRAINS CLEAR OF ALL DEBRIS

Removing any leaves or debris from your storm drains will keep the city storm water system working. **Any yard waste should be placed at the end of your driveway ONLY, the evening before or morning of pick up (Wednesday). NOT IN THE DRAINS**

Call the Public Works Department to report clogged, blocked or polluted storm drains at 386-506-5575.

Items that should NOT be dumped into the **Storm Water System** include:

- Yard Waste
- Garbage, refuse, or litter
- Chlorinated swimming pool water
- Household waste water
- Oil, automotive fluids
- Paints, varnishes, solvents
- Herbicides, pesticides, fertilizers

As a reminder, our covenants state that hurricane shutters cannot be hung earlier than 72 hours prior to a named storm and must be removed no later than 72 hours after the storm has passed.

There has been an issue with owners dumping debris/trash etc. in the gas line area.

The Board would like to remind residents that the gas line easement is not personal property and any form of dumping is not permitted. Also, no changes or additions should be made to any easement within the Sanctuary without prior written approval of the ARC or Board of Directors.

Homeowners will be liable for any damage caused to any drainage system or areas designated as conservation easements.

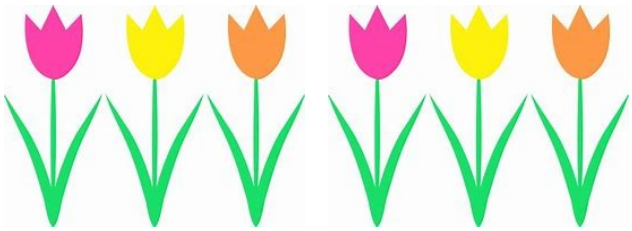
SUMMER UPDATE FROM THE GROUNDS COMMITTEE

This is such a great time of year as we get to clean up and spruce up our gardens and landscaping. The landscape committee has also been busy, as we continue our efforts to keep our community looking as good as possible.

You may have noticed we have a new grounds company, All About Outdoors, who has been taking care of our community since January. We hope you have seen improvement in the overall look of our grounds and landscaping. All About Outdoors has also taken over the management of our irrigation. You may have noticed we have been adding additional plants, flowers and shrubs throughout the neighborhood. We have recently planted podocarpus along the fence line, with the plan to eventually have a solid green hedge that runs the length of the fence. We will also be adding more plants and flowers to our front entrance and working on our center island in the coming weeks.

We hope you enjoy the improvements we are making, as we continue our efforts to keep our community looking beautiful.

Happy Gardening!!!
Connie Pawela



NEW SANCTUARY WEBSITE

In response to the new Florida HOA legislation, we have developed dedicated website which will enhance our community's communication (thank you, George Colt).

Please check it out at www.sanctuaryonsprucecreek.com. Available Information includes our governing documents, ARC information and forms, HOA notices, recent newsletters and a Pay Dues link.

All HOA matters, including emergencies, maintenance needs, complaints and ARC applications should be directed to:

TOUT Management 1326 S. Ridgewood Ave. Suite 14 , Daytona Beach, FL 32114 386-767-5575 www.toutmgmt.com

Copies of applications and the covenants and restrictions guiding our community are available on their website.

If you find that you have lost something while in the neighborhood, please call Ashley at Tout Management, 386-767-5575. She can then send a “blast” email to all registered residents asking for their help in finding your item.

PLEASE respect your neighbors and your neighborhood.

Pets should be picked up after.

Do not allow your pet on your neighbor's lawn.

All dogs and cats must be on a leash when outdoors, whether it is your property or common grounds.

BE IN THE KNOW...

Register your email address with Tout, our management company to be sure you are receiving all up to the minute email "blast" announcements regarding our community.

Send your information to Ashley@toutmgmt.com She will be sure you are added to the list. Be sure to add Tout to your contact list.

TREE REMOVAL

All tree removal **requests** must be submitted to the ARC for approval. (Article 9 Section 33). This includes dead trees.

All approved applicants must obtain any required permits and replacement requirements from the City of Port Orange permit office at 386-506-5602. (See port-orange.org/documents center.) Be sure your gardener hauls away any debris from your property as required by the City.

There is no overnight parking allowed on our streets. No commercial vehicles, or recreational vehicles are allowed to be parked anywhere in the community overnight.
In addition, no vehicles of any type are allowed to be parked in any grassed area or right of way at any time. The right of way includes the street and the grassy area between the street and the side walk.

HELP KEEP OUR

NEIGHBORHOOD CLEAN

Be sure all trash can lids are securely fastened when placing them curbside. If your trash is not picked up or if bags are broken by the collectors, it is your responsibility to be sure this is cleaned up.

Be sure to secure recyclables in the proper bins. Newspapers should be tied or placed in acceptable bags. Again, any breakage or blowing paper is your responsibility to clean up.

Green cuttings should be placed curbside.

All receptacles should be placed curbside no earlier than the evening before pick up. At all other times, they should be stored inside your garage and/or not visible from the street.
